# May Class & Event Descriptions

## Quilting:

**Pinwheel Party** (book purchase required, kits vary in price) Each month a new kit!

Stacy is working on a bunch of kits - which will inevitably lead to classes.

## Knitting:

**Tech Square Afghan** ( \$30/year or \$10/month) Build your knitting skills on square at a time. New block each month. Book and kits available. This month we are working on #5: Pockets, where you'll learn to make three different kinds of pockets. It's not too late to join even if you missed doing previous blocks. You can get caught up! Several dates on the calendar are geared for catching up: [any Wednesday or Thursday from 10 am - 1 pm - except Wednesday, May 11] Block #5 is slated for Saturday, May 28 from 10 am - 1 pm. (You can work on #5 at any of the other times, too).

**Line 'Em Up Scarf** (\$45 - includes yarn and pattern) Part of the *Feed Your Creativity Series* from Kollage Yarns. This beautiful cabled scarf is made from *Milky Whey* (50% milky, 50% soy yarn). [Saturday, May 14, 10 am - 1 pm; Friday, May 27, 10 am - 1 pm]]

**Sewing Up Your Knitting** (\$15) The task that many a knitter dreads: sewing up their garment. It's not hard - really! And Stacy will show you the tricks that make it easy, plus you'll learn tips to facilitate sewing up while you're knitting your next garment. [Friday, May 13, 10 am - 1 pm]

**Knit a Felted Bag** (\$25 - includes yarn and pattern). Learn the basics of felting by making a simple bag. Pattern can be easily modified to create bags of various sizes. [Wednesday, May 11, 10 am - 1 pm; Friday, May 20, 10 am - 1 pm]

**Knitting Groups!** Come knit or crochet at one of our knitting groups. Check calendar for times and places.
